## C Teenage Road-eo shaping Up Nicely

Standing: D. A. Williams, SCS representative, Washington, seated, Orville Freeman, Sec'y., Dept. of Agriculture.

The Jaycee conducted Teenage safe driving Road-eo to be held Saturday, April 11, in Our Lady of the Gulf School Yard, is receiving splendid cooperation, Al McGarry, local chairman, announced this week.

McGarry expressed thanks to Monsignor James Hannon for use of the school yard, Don Caldwell of Bay High School, Sister Eugenie, St. Joseph Academy principal, Brother Hugh, St. Stanislaus president, and North Central School for showing a movie on the national finals and encouraging participation.

Wilmer Seymour, Bay High driving instructor, will assist with the 50 question written test. Scorers for the driving skill portion will be Bay St. Louis Police Chief Lathan Garriga, Sheriff Sylvan Ladner, William Kenny of the Mississippi Highway Patrol and Jimmy Davis.

Mayor John Scafide and Miss Bay St. Louis, Nita Kay Erwin, will present the awards. The program is sponsored statewide by the Mississippi Automobile Dealers Association. Local Dealers, Hoagland Ford and Gulf Chevrolet will furnish automobiles and awards.

There will be equal awards for boy and girl winners. Both top winners will be entered in the state Road-eo at Clinton May 9. The state winner will receive a five day all expense paid trip to Washington D. C. for the National finals and a chance at \$4,000 in scholarships given by Lincoln-Mercury and Ford Motor Company.

Light Return of Questionnaires on Community Betterment

The Local Jaycees have completed a community development survey conducted in the interest of community betterment. The report turned in this week shows only 77 of the 500 questionnaires distributed to school children for their parents use were returned, which showed the most disliked things about the Bay-Waveland area.

24 voted their dislike for mosquitoes, gnats, flies and other insects. Rough streets, 21. No sewerage system, 14. Poor shopping facilities, 5. Lack of recreational equipment, facilities and programs for teen-agers and youngsters, 5. High cost of living, 5, and open ditches, 7.

Conditions in the Bay-Waveland area to be improved varied too much to list, but votes were cast in the following groups: Streets - surface, width, traffic control, parking, blind corners, 65 votes. Beautification, clean up yards, lots, fix up, paint, 55. Recreation - more facilities, equipment and programs, 39. Shopping, more and better facilities, lower prices, dependable service, 34. Sewerage - need disposal system, 28. Health - insects eliminated, dog control, larger hospital, 23. Curbs, sidewalks, drainage, street lighting, 19. Police - better and stricter enforcement, higher traffic fines, 13. And Utilities - better water system 12 votes.

CONCERT AT METHODIST CHURCH FRIDAY, APRIL 3

Rev. Lamar Martin, Pastor of Main Street Methodist Church, announced the Madrigal singers from Millsaps College will give a concert at 7:30 p. m. Friday, April 3, in the sanctuary of the Methodist Church.

The Millsaps singers are internationally known as one of the finest choral groups in colleges and universities of America. The public is invited.

Alfred Mitchell Kingston, 81, brother of Thomas Kingston of Bay St. Louis, died at 4:25 a. m. March 31 at his home, 437 Copp Street, Biloxi.

A native of New Orleans, he had resided in Biloxi for the past 46 years.

Mr. Kingston was a charter member of Carpenter's Union Local 1607 and a long time employee of the Biloxi City School system. Survivors include three sons, Victor L. Kingston, Detroit, Mich.; William M. Kingston, Biloxi; and Edward L. Kingston, Pasadena, Texas; five daughters, Mrs. Samuel Drucker, Kenner, La.; Mrs. G. E. Woodruff, Pensacola, Fla.; Mrs. Joseph Murray, and Mrs. Irma Campbell, and Mrs. Beatrice Gohlz, all of Biloxi; 16 grandchildren and 16 great-grandchildren.

Funeral services were held this afternoon from Bradford O'Keefe Funeral Home with religious rites at Nativity Catholic Church. Interment was in Biloxi Cemetery.

Pictured left to right: (Top) Edna Bourgeois, Hayde Brisolar, (Bottom) Barbara Clubb, Guety Duron.

Sister Eugenia, St. Joseph Academy principal, announced this week that Gay Duron, Muffy Clubb, Agnes Bourgeois and Hayde Brisolar will be candidates for queen of the school's spring festival to be staged April 18 in the school auditorium.

The identity of the queen will be disclosed the night of the festival.

To run for queen, students are required to have a 2.5 scholastic average and a B in conduct.

Child Drowns In Swimming Pool

James Richard Work, 3, drowned Friday in a swimming pool in a neighbor's yard in Lakeshore. Sheriff Sylvan Ladner said he drowned about 6:30 p. m. in the swimming pool recently completed by Mr. and Mrs. Frank Lensmeyer Sr.

According to the sheriff, the Work child was last seen about 6:30 p. m. when he was playing with the Lensmeyer's grandchildren, Frank Lensmeyer III, 8, and William 4, who said James started for home when they were called in by their grandmother to eat.

The boy was found floating in the pool by his mother when she went looking for him a short time later, the sheriff stated.

His stepfather, a civil engineer, is employed by the U. S. Army Corps of Engineers at the Mississippi Test Operations Ladner added.

The family moved to Lakeshore from Quinton, Oklahoma, about two weeks ago.

Efforts by Bowman to revive the child with artificial respiration and medical attention by a physician summoned to the scene failed, Ladner added.

An inquest jury empaneled by Coroner Emilie Piazza ruled death was due to accidental drowning. Members of the jury were Eido Depreo, R. M. Fleming, William Carbonette, J. T. Jacobs, Harold Stiglet, Chester Favre and sheriff Ladner, bailiff.

The boy was born Sept. 24, 1960, in McCallister, Okla., and was the son of Mrs. Bonita Work Bowman and foster son of Henry Bowman.

The body was sent to Quinton Funeral Home in Quinton for funeral services and burial Monday.

RELATIVES IN ALASKA REPORTED SAFE

Mr. and Mrs. Henry Capedone have received word from their granddaughter Mrs. William Stouder, who is in Valdez, Alaska that she, her husband and their son, Michael, were unharmed in last Friday's earthquake.

Mr. Stouder is associated with the State Highway Department in Valdez.

Mrs. Strouder and son are expected home within the next week.

### Shoots Self Allegedly Accidental

A Waveland resident was taken to Hancock General Hospital in serious condition Monday afternoon after suffering a gunshot wound in the lower abdomen.

Sheriff Sylvan Ladner said Robert Carver, 24, son of Mr. and Mrs. John Carver, was taken to the hospital about 1:15 p. m. by Riemann's Fahey-Whitfield ambulance.

The gunshot wound, Sheriff Ladner added which appeared to have been self-inflicted, was probably accidental.

The incident occurred in front of the home of Ben Morreale at Hickory and Central Avenues, Waveland, while Carver was removing a .38 caliber revolver from his shirt, the sheriff stated.

Sheriff Ladner said the case is still under investigation. He is being assisted by Chief Deputy Eido Depreo.

TWO WEEKEND  
ACCIDENTS RESULT IN  
PROPERTY DAMAGE

Police Chief Lathan Garriga reported property damage, but no personal injuries in two traffic accidents over the weekend.

Friday about 4:30 p. m., a car driven by William Muller, Felicity Street, and a 1956 Plymouth operated by Edgar Benoit, Washington Street, collided at DeMott and Dunbar Avenue.

Garriga estimated \$10 damage to Muller's 1963 Ford and about \$300 to Benoit's vehicle.

The accident was investigated by Garriga and officer John Kachler.

An accident at 12:20 p. m. Saturday involved a 1960 Chevrolet driven by Francis Jones of Long Beach and a 1956 Chevrolet operated by Tyrell Favre, Rt. 2, Bay St. Louis.

The incident occurred at North Beach and the U. S. Highway bridge. Garriga reported approximately \$300 damage to Jones' vehicle and Favre's car as a total loss.

All drivers will have a hearing in Mayor John Scafide's court Thursday.

FIVE TEAMS  
REPRESENTED

Five teams, Trapani's, Southern Realty, Kraneky's C. Y. O. and Waveland were represented at the first softball meeting of the Club last Monday. The league is limited to eight teams.

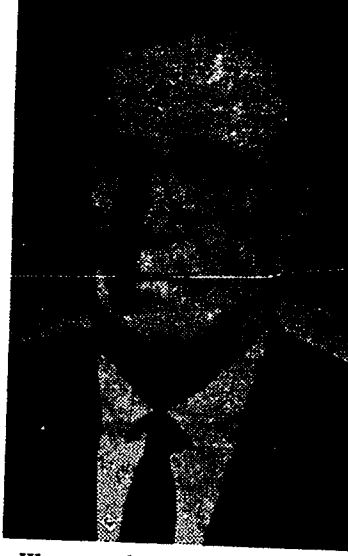

The next meeting and election of officers is scheduled for Monday, April 6, at the American Legion Home.

FINED FOR  
HUNTING OUT  
OF SEASON

Two Westwego, La., men were apprehended March 18 by Pat Toomy, Fish and Game Warden, for hunting out of season at Baldwin Plantation.

The men, identified by Beat 1 Justice of the Peace Lester Hov as Charles E. Marcombe and Ray Gautreaux, were tried in Judge Hov's court and fined \$25 each and court costs.

### ROBERT LEE JONES ANNOUNCES FOR SUPREME COURT JUDGE

We are hereby authorized to announce the candidacy of Robert Lee Jones for the office of Judge of the State Supreme Court from the Southern District of Mississippi, subject to the action of the Democratic Primary election in June.

Judge Jones' statement to the voters follows:

To the Democratic Electors, Southern District of Mississippi:

When Judge Lee Hall resigned from the Supreme Court of your State, I was appointed and then elected without opposition to serve the balance of his term.

I did not seek the office. The appointment was tendered me by Governor Barnett and that was the first I knew of the resignation.

After considering the matter in conference with my wife (who has since died) we decided the offer presented an opportunity for service and an honor not to be refused. Accordingly, I surrendered my law practice, and accepted. I am now in my fourth year on the court. An election is to be held on June 2nd to choose a Justice to serve for a full term. I would like to serve you for one full term. My record on the Court is there to speak for my qualifications and ability.

I was born and reared at Brookhaven where I still have my home. I first worked as a Court stenographer when I left high school. When I had saved enough money I went to the University and studied law. Since 1924 I have actively practiced law, both as a counselor and as a trial lawyer in all the various types of Courts of Mississippi. I have represented plaintiffs and defendants for thirty-five or more years. I have become familiar with the problems of municipal and county officers, having served as a City Attorney for Brookhaven and many years as Attorney for the Board of Supervisors of my County.

I make you only one promise. That if elected for this full term I will, as I have in the past, decide those cases which come before us, fairly and honestly, without fear or favor, and regardless of the effect upon me personally.

Our Court will be in session until after the election. I would like to see and meet each of you, but this will be impossible. I ask that you take this as an appeal to you in person for your support.

I have understood there is a custom among our people that where a man has creditably served the remainder of an unexpired term, he receives a full term. I believe this is in accord with our democratic way of life, and so be lieving, I most earnestly seek your vote and solicit your influence.

TO CHECK  
DRIVER LICENSES

Police Chief Lathan Garriga said Wednesday the city and county officers will set up road blocks in the city to check drivers licenses, proper license tags and switched tags.

TO MEET APRIL 7

Chapters 1 and 2, Womens Auxiliary of Christ Episcopal Church, will meet Tuesday, April 7.

Chapter 1 will meet at 10 a. m. at the home of Mrs. B. P. Cock, 16 Mollere Drive and Chapter 2 will meet at 8 p. m. at the home of Mrs. J. W. Watts Jr., on Washington Road.

FIRST COMMUNION

Seventy-six pupils at Our Lady of the Gulf School will receive their first Holy Communion at 7 o'clock Mass Sunday morning at Our Lady of the Gulf Church.

Advice has been requested from many of our citizens whose property in Pearl River, Hancock, and Harrison counties has been purchased by the Government under condemnation proceedings as to the taxable status of their receipts from this source.

In general, there are two types of transactions involved, one being a sale of the entire property to the Government, and the other being the sale of an easement only to the Government. Your contract must be consulted to determine which type transaction you had.

If your transaction is a sale, you must report any gain realized, which is the difference between your selling price and the adjusted basis in your property. This adjusted basis generally will be the amount you paid for the property less any depreciation you have claimed or were entitled to claim to the date of sale. However, this gain may be postponed in two cases.

The first of these is in instance of sale of business property. You may elect to postpone such gain if you invest the entire proceeds of your sale in property that is similar or related in use to the property it replaces within a period which begins on the date of threat of condemnation and ends one year after the close of your first tax year in which you realized the gain.

The second instance of postponement of gain on a sale is that of property which you used as your residence. The postponement is accomplished by investing the entire proceeds of the sale in a new residence within one year before or after the sale (eighteen months after if you build, rather than buy a new residence). You may now deduct a loss on sale of a residence.

If your transaction is an easement, rather than a sale, your tax status depends upon whether granting the easement makes your property unusable or deprives you of its beneficial use. If so, you should treat the proceeds as a sale as outlined above.

If, however, the easement does not deprive you of the beneficial use of your property, you must treat the proceeds as a recovery of your adjusted basis in the property, and if such proceeds exceed your adjusted basis the excess is taxable as a capital gain. In such cases you may not elect to postpone the gain by reinvestment.

For detail information concerning the tax treatment of such proceeds, taxpayers may request a free pamphlet entitled "Condemnation of Private Property for Public Use" from any of the Internal Revenue Service offices in the State.

4-H ATTAINMENT  
DAY TO BE  
FRIDAY, APRIL 3

Hancock County 4-H Girls Attainment Day will be an event of Friday, April 3, beginning at 9:00 a. m. at the Agricultural Center on Necaise Avenue.

weekend was a glorious one with good weather and ideal fishing conditions despite the tides caused by the Alaska earthquake believe it or not water at the New Orleans Club and the Industrial caused boats to break their keels and swirl around like something never heard of. Courses were crowded and places busy by those entering the long weekend. It was a feast of them with the Friday night. Fishing was good most everywhere, and green trout seemed to be caught. Golfing parties numerous.

...ed playing golf at Pretty

...and Country Club on ... where Louis Prima, the noted band leader is owner and Leo Silva is golf pro. Leo has the course in perfect condition and it was a pleasure to chat with him about old time golf buddies of years back. Mrs. Anthony Prima, Louis' mother, has charge of the restaurant at the club, catering to her customers in a courteous manner and serving food out of this world. A trip to this club would be worth while. Expect to see you at the Bay Leo.

Jack and David Sibley with Luke and Dec Elliott enjoyed golf at the Covington course Friday and Saturday.

Spent the Easter weekend in New Orleans playing golf, fishing and cray fishing and at night attended the races at Jefferson Downs. Saw a number of Bay St. Louis racing fans there.

Had reports of fishing in the areas at Hope Dale, Empire and Leesville. Red fish and specks are being caught in abundance.

Also heard of the good catches of green trout and perch made in the Bay St. Louis and Pearl River areas over the weekend. From now on you can look for good fishing most anywhere. Of course fly fishing is a favorite sport of anglers at this time of the year. Still fishing is also good.

As reported last week and crabbing and floundering has improved day by day. Better get that old light in readiness and go after them.

Willie Pastrano is undergoing rigid training just now for his fight with Peralto from down Ar. gentine way in April. Willie is a New Orleans boy and has plenty of fans in the Bay who will hope to see him win.

How is this for luck? One lucky Twin Double Player holder of one ticket was \$11,422 richer Saturday night at Jefferson Downs. It was the largest payoff in the year-old betting gimmick.

Found a new way to keep cigars fresh: Wrap in tin foil and put them in the deep freezer. It really works.

The old saying "Keep your chin up" is ok, but when playing golf it is better to keep it down. No topping of the ball!

Bowling seems to be getting more popular all the time. Right now local teams are fighting it out for first places.

Frank Trapani who recently was in the hospital for a check up came out an Irishman - he is on a diet, no meat balls and spaghetti, pizza pie, etc.

Met Jos. Como playing golf at

Covington. Think we were both out of our territory.

Scouting is again back in the swing. An enthusiastic meeting of scout executives was held last Thursday night at the Legion Home for making plans for a training course. All men are invited to participate when the dates are set. Buck Buchler, chairman of the Bay St. Louis area and his assistants are doing a good job.

**TESTS SHOW VALUE OF FERTILIZATION ON JOHNSONGRASS**

STATE COLLEGE, MISS. - Fertilizer on Johnsongrass meadows will pay for itself many times over in high yields of better quality hay. Dr. G. Y. Ward, Mississippi Experiment Station agronomist, became convinced of this in a two-year study.

Without fertilizer his plots made about 2 tons of hay per acre. Thirty pounds of nitrogen, applied at a cost of \$3.60, increased yields by two tons or \$60 worth of hay. Each increment of nitrogen, applied along with a steady rate of 120 pounds of phosphate and potash per acre, continued to boost yields. At 240 pounds per acre, the yield was 8 1/4 tons.

Nitrogen does not necessarily have to be applied in the early spring. These studies showed equally good response from applications after the first or second hay cuttings if summer rainfall is ample. Regardless of the amount of fertilizer used, Johnsongrass must be cut at an early growth stage in order to obtain high quality hay.

"Thousands of acres of Johnsongrass meadows in Mississippi are starved for plant food," Dr. Ward said. "Many of these underfed meadows produce less than two tons of hay annually. To realize the full potential of this grass, it must be properly fertilized."

"Liberal use of nitrogen fertilizer along with recommended levels of potash and phosphorus will do four important things for a Johnsongrass meadow. It will 'hicken the stand of Johnsongrass, help eliminate weeds, boost hay yields, and give a more leafy hay that is higher in crude protein."

The Experiment Station test was established near Prairie, Mississippi on an old worn-out hay field in 1962. Initially the heavy black soil was low in plant food and the stand of Johnsongrass was sparse.

**LAMB PRODUCERS URGED TO KEEP FULL RECORDS**

Lamb producers especially were reminded today of the importance of keeping complete records to support their applications for payment under the national wool program. The same caution, of course, applies to wool growers.

Tommy R. Shaw, Chairman of the Hancock Agricultural Stabilization and Conservation County Committee, emphasized that a lamb producer will be eligible to receive a payment on resale of the lambs still unshorn or on the sale of wool removed from such lambs if his program application either (1) shows the number of head and liveweight of unshorn

Mr. Shaw explained that the lamb payments are made under the wool program to encourage the normal marketing of lambs with the wool on and to prevent unusual shearing of lambs. The payments are determined on the basis of the shorn wool incentive, weight of the lambs purchased, payment, the average weight of the value of lamb wool in relation to shorn wool.

Lamb payments are made only on lambs which a producer has owned for 30 days or more, and the amount of payment is based on weight gain of the lamb during the seller's ownership. A complete report on the number and live-weight of any unshorn lambs purchased is needed, therefore, in order to determine the necessary deductions from producers' payments equal to the amount of pay-

A complete report on purchase of unshorn lambs is necessary, the chairman declared, regardless of whether the lambs were bought for replacement or for subsequent sale, and regardless of whether or not the seller was furnished with a sales document enabling him to apply for payment on the sale of the unshorn lambs. Likewise, the shorn wool application calls for figures on the number and live-weight of the lambs purchased even if any of the lambs are later sheared instead of being sold as unshorn lambs.

**METHODIST WOMEN HOLDS REGULAR MEETING**

Women's Society of the First Methodist Church will present a concert at the Methodist Church at 7:30 p.m. April 2.

Miss Patricia Thompson, who worked for a number of years in India, was guest speaker. She told of the native customs and displayed jewelry and other articles from that country.

Mrs. T. B. Whittington, who lived in Iran for two years was in charge of the luncheon and her daughter Lynell showed some interesting items brought back from the Orient.

"Pitchin' In" is an American trait that's helped many a barn be raised in a day, with time left over for dancing. Today, that same spirit tackles the job of building a more secure America, with United States Savings Bonds being a good way of 'pitchin' in'.

## A BIGGER World

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

There comes a time, even in a child's life, when the way must open to a greatly expanded world. When his confining shell no longer allows proper growth, he makes a point of throwing off his shackles and steps out into a big, strange world.

This comparatively simple phenomenon is paralleled in human existence as each child grows toward adulthood, and reaches out for the wider horizon. What he finds there will depend in great part on what he has been taught.

For this reason the early and continued guidance of Christian home and church are all-important. From these things the foundation of faith is built. Through faith and understanding the shackles of fear and bondage are dispelled, and your child grows spiritually strong to meet the ever-widening horizons and challenges of a modern world.

# MISS. POWER CO. MAKES \$1,750,000 ANNUAL REDUCTION

Mississippi Power Company president, A. J. Watson, Jr., said today issued the following statement: "There have been misinterpretations, misunderstandings and questions with reference to the recent joint announcement by the Mississippi Public Service Commission and the Company, of an agreed reduction by the company of \$1,750,000 in annual revenues effective June 1, 1964.

"The company's present rates are not excessive. Even when this reduction is made, they are lower than the rates of other electric utilities in Mississippi outside of the TVA area, in which area government subsidized power is supplied. The company has always reduced its rates whenever operating efficiencies and increased volume of sales made it possible without reducing the level of earnings below a point that could continue to attract the interest of investors in this enterprise in Mississippi.

"The latest general rate reduction was made in 1960 and several other specific adjustments have been made since then, even as recently as July 1963.

"In this particular situation we felt that long drawn out hearings would be damaging to the favorable state government-business climate that is being promoted by most Mississippians. We have given consideration to the indicated growth of the area which we are privileged to serve, to the recently enacted Federal Income Tax Reductions, the full benefits of which will not become effective until 1965, and to our historical desire to build in every possible way an image of favorable business climate in Mississippi, and have therefore agreed to make this very large reduction."

ST. JOHN'S CHURCH FAIR JULY 24-25-26 Father Canasius Hayes, pastor of St. John's Catholic Church, Lake Shore, announced the dates for the annual church fair will be July 24, 25 and 26 on the church grounds.

# BOARD OF SUPERVISORS PROCEEDINGS

## ORDER SHERIFF TO REMOVE FENCE AND OPEN ROAD

Upon motion of Supervisor Nease, duly seconded by Supervisor Dean, the Sheriff of Hancock County, Mississippi, Sylvan J. Ladner, Jr., be and he is hereby ordered to remove the fence from that certain public road a 30 foot right of way running northerly from the Lower Bay Road to the property of Clyde Ladner, Lying adjacent to the home of Mrs. John Nease (Pauline Nease) and open said road for passage as a public road, in accordance with the Supreme Court in Cause No. 42,787 of the Supreme Court of the State of Mississippi.

## ORDER SHERIFF TO REMOVE FENCE AND OPEN ROAD

It having been brought to the attention of the Board of Supervisors that they had heretofore entered an order declaring that a street belonging to the county and located in the vicinity of the east bank of East Pearl River and that a fence had been erected by Mrs. William Waters, and that the Order, just mentioned, was entered after a full hearing about the matter and Mrs. Waters being dissatisfied with the action of the Board took an appeal to the Circuit Court of Hancock County, Mississippi. When the case was called in the Circuit Court, same was dismissed by Mrs. Waters.

The Board not caring to take immediate action, had written to Mrs. Waters to remove the fence within ten days from the 7th day of February, 1964.

This Board is now advised that Mrs. Waters has failed to remove the obstruction, being the fence, and rather than institute any other action against Mrs. Waters the Board decided that the Sheriff of Hancock County should proceed to remove the obstruction to a public road belonging to the County.

It is therefore ordered, that the Sheriff of Hancock County, be and he is hereby directed to remove the fence that has been constructed, in over and across the road, as declared a public road by the Board of Supervisors and to report back to this Board his actions thereon.

The motion for the above being made by Supervisor Nease duly seconded by Supervisor Dean and unanimously adopted by the Board.

Upon motion of Supervisor Nease duly seconded by Supervisor Dean that the Clerk of this Board is hereby authorized and directed to re-advertise for bids for State Aid Project S-1102 (2)B, said bids to be filed with the Clerk of this Board on or before 2:00 p. m. Tuesday, March 17, 1964.

The Board reserves the right to reject any and all bids.

The above motion was unanimously adopted by the Board.

COMPENSATION FOR ROADS

Upon motion of Supervisor Nease duly seconded by Supervisor Kellar the question of Compensation to be paid to Hancock County by the United States Government for roads that are located within the tract site of the National Aeronautics and Space Administration Project and the Board having furnished to the District Engineer, representing the National Aeronautics and Space Administration, the cost of the construction of the roads affected by the taking of certain areas of Hancock County by the National Aeronautics and Space Administration Project, the cost of the construction of the roads for the immediate past ten years and said cost having been furnished to the District Engineer of Mobile, Alabama, and it was requested by the District Engineer that the Board express itself as to the payment for these roads to serve the displaced people of the

area in which the roads here mentioned are located within the tract site of the NASA Project. To this end the Clerk of the Board of Supervisors is hereby directed to direct a letter to the District Engineer at Mobile, Alabama, Post Office Box 1169, the following: Gentlemen:

You have been furnished the cost to Hancock County for the construction of hard-surface of certain roads in the test site area and we are pleased to advise that no money that may be paid to Hancock County, either by the District Engineer or the NASA Project, will be accepted preferentially in a lump sum and we say his with all honesty and sincerity as the County funds are certainly inadequate to construct new roads to serve the displaced people. As a last resort, however, the Board would accept progress payments of fifty percent of the amount owed upon and the balance in two equal twenty-five percent payments.

Yours very truly,  
R. G. HUBBARD JR.  
President, Board of Supervisors  
The above matter having been fully considered by the Board, same was unanimously adopted by the Board.

## AUTHORIZE ATTORNEY TO FILE ANSWER

Upon motion of Supervisor Nease duly seconded by Supervisor Kellar that the Attorney for the Board be and he is hereby authorized and directed to file an answer to the Pleadings in Cause No. 8314, styled: Mrs. Adolph d' Aquin and Fred C. Blohm vs Board of Supervisors of Hancock County, Mississippi, et al.

The motion for the above was unanimously adopted by the Board.

PAY L. H. RAYMOND JR. SURVEY

Upon motion of Supervisor Nease duly seconded by Supervisor Kellar that the Clerk of this Board is hereby authorized and directed to issue warrant in the amount of \$500.00 payable to L. H. Raymond Jr., and to be paid out of the Hospital Building Fund for survey (and correction of) property boundaries and plat of same.

The above motion was unanimously adopted by the Board.

ACCEPT BS-2'S

Upon motion of Supervisor Nease duly seconded by Supervisor Kellar that BS-2's as presented to the Board by the Tax Assessor, be and they are hereby accepted and the Clerk of this Board is hereby directed to mail said forms to the Jackson office for approval and return.

The motion for the above was unanimously adopted by the Board.

ACCEPT CHARGE BACKS FOR HOMESTEAD EXEMPTION

Upon motion of Supervisor Nease duly seconded by Supervisor Kellar that the Charge back for Homestead Exemption for the year 1963 be accepted by the Board for the following persons, to-wit: Victor F. Fourt, Robert C. Heron.

The above motion was unanimously adopted by the Board.

ACCEPT BID - TRUCK

Upon motion of Supervisor Nease duly seconded by Supervisor Kellar that the bid of Fred Hoagland Ford Sales for the sale of Truck for the use of District No. 2, Hancock County, be and the same is hereby accepted in the following words and figures, to-wit:

February, 1964  
Board of Supervisors  
Hancock County, Miss.

Gentlemen:

We are pleased to submit the following bid on one new two ton truck, short wheel base, cab and chassis, F600, 132" wheel base, 2 wheel rear axle 15000 lb. 5000 lb front axle, 292 V8 engine, running lights, 900x20 10 ply (4) new nylon tires, 825x20 10 ply (2) new nylon tires, alternator, 4 to 5 yd. Pontiac dump body with half cab protector. This is on 8 cyl. truck.

The Galion dump body has a 90 day warranty, Fontaine Equip. Co. warranties their bodies for one full year. Price range same on both bodies.

Total cost of unit is \$4200.89, less discount of \$1016.39, leaving a balance of \$3184.50.

I suggest you add the following: 6000 lb. front axle, an additional 3500 lb. front springs with 10400 lb. main springs, and auxiliary springs with a cost of \$74.20.

The same specifications in a 6 cyl. truck would be \$92.70 less.

Above price is quoted without Federal Excise Tax.

We appreciate very much the opportunity to submit this bid and hope to receive a favorable reply.

Sincerely,  
FRED HOAGLAND

The above motion was unanimously adopted by the Board.

PAY MERCHANTS INSURANCE

Upon motion of Supervisor Nease duly seconded by Supervisor Kellar that the Clerk of this Board is hereby authorized and directed to issue warrant in the amount of Eight Hundred ninety six dollars (\$896.00) payable to Hancock Insurance Agency for policies No. 188FA04 50 82 C. U. No. 42 35 41, Aetna; No. 3703, Home; No. 87EP 425262, AC&S; Court House, amount to be paid out of the General County Fund.

The motion for the above was unanimously adopted by the Board.

PUBLIC NOTICE

Upon motion of Supervisor Nease duly seconded by Supervisor Dean that the Clerk of this Board shall post Notice of Public Hearing to be published in one of the local papers in regard to the Planning, Subdivision Regulations and etc., of Hancock County, said hearing to be held at 10 o'clock p. m. March 17th, 1964, in the Court room in the said County Court house.

The motion for the above was unanimously adopted by the Board.

APPOINTMENT J. V. COLSON

## OCEAN CRUISES PRIZES OFFERED BY PORT OF GULFPORT TO HIGH SCHOOL STUDENTS AND TEACHERS FOR ESSAYS

The Gulfport State Port Authority will award fun-filled ocean cruises—one to West Africa, the other to Europe—to two Mississippi high school students, in an essay contest on the importance of the port of Gulfport.

The teacher of each student will also receive a free vacation cruise, said Edwin A. Stebbins, port director at Gulfport, in announcing the contest. Closing date for entries is May 8.

The lucky recipient of the 60-day West African trip (with South America as the alternate) will be guest of Delta Lines, on a Delta Cargo Liner. Ports of call may be Monrovia, Dakar, Conakry, Lagos, wherever the cargo is waiting. The winner's teacher will go also.

The other lucky winner and his or her teacher will board a

Lykes Line ship on a 45-day cruise, bound for Europe—England, the Continent or the Mediterranean, wherever the cargo waits.

Each cruise has a June sailing date from a Gulf port, with transportation from home to port of departure and port of return at the expense of the winning individuals.

Additional prizes offered are: a three-day vacation for student and teacher, Edgewater Gulf Hotel; portable typewriter, Office Supply Company and Mississippi School Supply Company; \$100 savings bond, Gulf National Bank; \$100 savings bond, Hancock Bank; 2—\$50 savings bonds, Mississippi Power Company; \$50 savings bond, Coast Federal Savings and Loan Association.

In discussing contest rules, Stebbins said that any boy or

girl resident of Mississippi, regularly enrolled in the 9th, 11th or 12th grade in a public or private school is eligible to enter the competition.

Contestants may submit as many entries as they wish. Entries should be mailed to Essay Contest Department, Gulfport State Port Authority, Gulfport, Mississippi.

Entries will be judged on neatness, originality of thought, clarity of expression and effectiveness of content, and contain not less than 300 words or more than 500 words.

In the event a winner is unable to use his or her prize as offered, the prize will be awarded to the entrant next in order. The teacher's prize will go to the teacher of the entrant who actually receives and uses the prize.
